2535 Main Street Cambria California 93428 • Admin Phone 805 927-8304

Dear Residents of Cambria:

After more than four years of service to the Cambria Community Healthcare District ("District"), our Administrator, Bob Sayers, has announced his retirement. "I am looking forward to spending more time with my family, traveling, and enjoying my grandchildren," said Mr. Sayers of his future endeavors. Bob came to the District at a pivotal point in time, and his leadership has contributed to the high quality of emergency services the District provides residents of Cambria.

While the District is disappointed in Mr. Sayers' departure, the District remains committed to its mission to provide the highest level of healthcare services to its residents on a short and long-term basis. In order to address the transition, the District Board of Trustees will meet on September 19, 2018, to officially receive Mr. Sayers' resignation and discuss steps toward the recruitment and hiring of an interim and permanent District Administrator. We wish Bob all the best in this new stage of his life, and we are grateful for the work he has done on behalf of the District.

The District meeting on September 19, 2018, will be held at the Old Cambria Grammar School, 1350 Main Street, Cambria, at 1:00 p.m. The public is encouraged to attend.

Best regards,

Jerry Wood
Cambria Community Healthcare District, President
